6145: Extra-Curricular Activities

Extra-curricular activities supplement the primary education of our children.

The principal has the ultimate responsibility for all extra-curricular school activities. The immediate supervision of an activity may be delegated to qualified staff members or competent adults. A job description shall be written to provide the parameters of this delegation. Parents and other adults who serve as coaches, moderators, and chaperones are accountable to the principal in all activities that are school-based.

The pastor has the ultimate responsibility for all extra-curricular activities in parish-based programs. The immediate supervision of an activity may be delegated by the pastor to a qualified staff member or other adult; a job description shall be written to provide the parameters of this delegation. Parents and other adults who serve as coaches, moderators, and chaperones are accountable to the pastor or his delegate in all activities that are parish-based.

6145.2: Elementary School and Parish-Based Athletic Programs

Philosophy

The Catholic parish/school athletic programs offer an opportunity for young people to associate with dedicated adults who not only foster the development of athletic skills but also serve as role models of Christian living. The true goals of athletic competition are sportsmanship, leadership, and team play which develop physical skills.

The Church is working diligently to protect our children and youth against exploitation by overzealous adults. Overworking young athletes not only lends itself to physical strain and a higher probability of injury but to mental exhaustion as well.

The Catholic parish/school athletic programs call for responsible control and limitation of the time and energy expended on extra-curricular activities. This purpose imposes on the administrators and directors of Catholic parishes/schools the obligation to select and prepare adults who will fit the needs as role models for our youth.

Local administrators and athletic associations shall create policies that govern athletics at the local level. It is suggested that pastors/principals confirm/approve all candidates to the local athletic boards before elections/appointments take place.

General Regulations

1. No elementary school student may participate in any phase of a formal high school (grades 9-12) athletic program. This includes practice sessions.
2. The following seven sports are regulated by the archdiocese in their own season only: Baseball, Basketball, Football, Soccer, Softball, Track, and Volleyball.

The sport seasons are defined as follows:

- Fall season = Football, Soccer and Volleyball: August 10 - November 1
- Winter season = Basketball and Volleyball: November 2 - March 13
- Spring season = Soccer, Baseball, Softball and Track: March 14 - End of School Year

All practices and games (independent, league and tournament) must take place during the defined sport season in accordance with the [Archdiocesan Sports Standardized Schedule](#).

This prohibits all schools and parishes from providing coaches, equipment, parish/school names, liability insurance, parish funds, and practice and/or game facilities to their parish/school-based teams to continue play outside the defined sports season. This includes any organized activity such as practices, drills, scrimmages, games, etc.

A game is defined as competitive play between two (2) teams of different schools during which time and score are kept. A scrimmage is defined as play between two (2) teams of different schools during which no time or score is kept and during which coaches may interrupt action to give coaching advice. To compete/play is defined as participation in any practice, tryout, game, or scrimmage under the supervision of a coach. Tryouts and scrimmages are considered a practice.

3. A student/athlete may participate with a non-archdiocesan team in the same sport during the season provided that the student's priority and commitment is with the parish/school team and the student maintains the eligibility requirements established by the school administration and published in local policy. Schools teams playing in archdiocesan leagues are considered archdiocesan teams.
4. Merging teams from two (2) or more schools/parishes is allowed only if there is a shortage of players at a specific grade, only after all internal options have been exhausted, and only with schools/parishes that currently sponsor and administer active athletic programs in Grades 5-8. All eligible students in affected parishes will be allowed to participate on the merged team. A school may not divide players from the same grade between teams at the two (2) different schools.

Written authorization from each pastor/principal of the respective parishes/schools, which are in reasonably close geographical proximity to one another, is needed to field a merged team. The [Team Merger Request Form 6145.2 \(e\)](#) must be completed and sent to the league director prior to the beginning of the sports season. The merger is approved once all signatures are obtained on the merger request form and it has been approved by the respective league director.

5. Combined grade level teams are allowed for athletes in two consecutive grades only.
6. Parishes with an existing athletic program may extend an invitation to their cluster parish partners to form a combined parish athletic program. The following requirements must be met and approved by the Archdiocese Office for Schools and the league director:
 - The pastors of each parish in the cluster must give consent for participation in the combined athletic program. The pastor/designee is responsible for athletics at each participating parish.
 - Each parish is encouraged to have representation on the athletic board.
 - All parishes within the cluster must be invited to participate and approve of the combined athletic program. A cluster without a Catholic school may request to form a combined athletic program with a cluster in geographic proximity that has a Catholic school.
 - All interested and eligible students within the designated cluster parishes will be invited and allowed to participate in all sports offered at the school/parish.

- The religious education director and/or principal of each parish confirms, in writing, the eligibility of the students participating in athletics. Player eligibility shall follow all existing Archdiocesan rules.
 - The parishes will complete the Request to Form a Combined Parish Athletic Program [Form 6145.2\(n\)](#) each year and submit it to the league director of the athletic league(s) with which the schools/parishes are affiliated on a yearly basis prior to the beginning of the sports season.
7. A parish based athletic program experiencing difficulty fielding a team at any grade level due to an insufficient number of eligible students, may appeal in writing for permission to play students down one grade level. This appeal must be submitted at least 7 days before the final team commitment date for the member's league. In no instance will more than two players be allowed to play down, or more than one of the two be allowed on the playing floor at the same time. If a member is allowed to play students down, all opposing teams shall be advised of the names and numbers of the players. This request will be granted as a last resort, specifically an inability of the student to play up a grade, or to merge with a nearby program. The request should first be made to the applicable league directors, who will forward the request to the Archdiocese Office for Schools with its recommendations. The Office for Schools will make the final determination.
 8. Only teams comprised of players representing a single archdiocesan parish/school, an authorized combined parish/school in existence as a team during the entire sport season, or a private school team that is an admitted member of an archdiocesan athletic league are eligible to participate in archdiocesan parish/school-sponsored tournaments. Select, all-star, club, AAU, non-league private schools, or public school teams are not allowed to participate in these tournaments.
 9. Teams may only participate in tournaments held within the leagues that are sponsored by archdiocesan parishes or league membership.
 10. Official player rosters with a place for the verification signatures of the pastor and/or principal, athletic coordinator and coach are to be utilized for all league and tournament play.
 11. A parish-based team is a team composed of children enrolled in the Catholic school or the religious education program. Participation on a parish-based team requires:
 - a. The parent(s)/guardian must be registered members of the parish/school;
 - b. The student must:
 - attend the parish school; or
 - attend the parish religious education classes regularly.

A student who attends a Catholic School that offers athletics is eligible to play for his/her school team and is not eligible to participate for another parish-based team.

12. A school-based team is a team composed of only students attending a Catholic school. Participation on a school-based team requires:
 - The parent(s)/guardian must be registered members of the parish/school;
 - The student must attend the parish school.

13. Requirements for participation apply equally to students in the parish school, the religious education program, and in a parish-approved home-based catechetical program. Eligibility to compete will be determined by the students' academic record, effort, attendance, and conduct in school (whether Catholic or public), and in religious education classes. Determination of such eligibility criteria will be made by parish and school administration after consultation with staff members and appropriate committees. Written criteria and process shall be published in the parent/student handbook and other forms of communication.
14. Local administrators and athletic associations shall create policies that provide for participation by all team members in all games.
15. A team's entire competitive season must be completed before any member of that team may begin participation in another sport. This restriction applies to practices as well as games or matches.

EXAMPLE: A player participating with the football or soccer team must complete the entire football or soccer season before participating in any practices, games, matches, scrimmages, etc., for another sport ... such as basketball or volleyball.

16. Competitive athletic programs are to be limited to grades 5, 6, 7, and 8. A student is eligible only to compete for four (4) years, one (1) year at each of his/her grade level of school. Students must play at their own grade level, unless classes are combined to form one (1) team. Team members must meet the following age requirements as of September 1st: 5th GRADE: Under 12 years; 6th GRADE: Under 13 years; 7th GRADE: Under 14 years; 8th GRADE: Under 15 years.
17. There is to be neither practice nor competition during the hours the involved student's school or religious education classes are in session.
18. Travel to games must be kept to a reasonable distance, especially on days preceding a school day. Therefore, games scheduled at later evening hours are discouraged on days that precede a school days. The player's health and education must be safeguarded by the school.
19. No student may participate in any phase of a parish/school sponsored interscholastic athletic program without a physical examination by a licensed physician, physician's assistant (PA), or Advanced Practice Nurse Prescriber (APNP) every two years. A physician exam taken April 1st and thereafter is valid for the following two (2) school years; a physical examination taken before April 1st is valid only for the remainder of that school year and the following year.
20. All appropriate forms related to athletics must be completed and returned before a student may participate in any tryouts, practices, or games. (Included are the [Medical Information & Emergency Consent: Form 6145.2 \(a\)](#), the [Parent's Risk Acknowledgement and Consent: Form 6145.2 \(b\)](#), and the [Student Physical Examination: Form 6145.2 \(c\)](#), the [Student Athlete and Parent/Guardian Sportsmanship Pledges Form 6145.2 \(k\)](#), [Form 6145.2 \(l\)](#), and the [Concussion Acknowledgement: Form 6145.2 \(i\)](#)). Annually, student athletes and their parents shall be presented with a discussion about concussions and given an educational fact sheet regarding the signs and symptoms of a concussion.
21. Annually, student athletes and their parents shall be presented with a discussion about concussion and given an educational fact sheet regarding the signs and symptoms of concussion. All student athletes shall be required to participate in concussion education prior to their participation in any sport.

- All athletes and their parents will sign a statement in which the student-athlete accepts the responsibility for reporting personal injuries and illnesses to the coaching/athletic training staff, parents, or other health care personnel, including signs and symptoms of concussion. This statement will also acknowledge having received the above-mentioned educational handout.
 - When an athlete shows any signs, symptoms, or behaviors consistent with a concussion, the athlete shall be removed immediately from practice or competition. The athlete's parent shall be immediately notified of the situation. The athlete may not participate again until he/she is evaluated by a health care professional, is symptom free, and receives written clearance from a health care provider to return to activity. The incident, evaluation, continued management, and clearance of the athlete with a concussion shall be documented.
22. The [Sportsmanship Pledge](#) must be displayed at all athletic venues connected to the archdiocese.
 23. Players must have health insurance; parishes, schools and the archdiocese do not provide such insurance.
 24. Schools, parishes, and leagues are responsible to insure that appropriate first aid supplies, other medical equipment, and an accessible telephone are available at all practices and games.
 25. Title IX of the Civil Rights Act requires that equal opportunity be provided to both sexes to participate in athletics. It requires that all physical education classes be coeducational; however, it allows separation during the participation in contact sports and explicitly permits grouping of students by ability.
 26. Leagues or conferences provide a structure that helps to make athletic programs more effective. All teams must belong to a Catholic league or conference. If possible, the league or conference should be organized on an area-wide or geographical basis.
 27. All archdiocesan leagues, approved by the archdiocesan Athletic Advisory Board, are affiliated organizations and enjoy the benefits of insurance coverage and tax exempt status. Leagues must maintain a full accounting for their activities and provide an annual financial report to the Office for Schools and league membership.
 28. Each league or conference must have a Board of Control to establish game rules, procedures, and discipline within the league or conference which are in compliance with archdiocesan policy:

 - The Board of Control shall establish schedules for each sport at the beginning of the sport season. Such schedules shall include the time of the events.
 - League members are entitled to one vote per parish/school.
29. Coaches provide a very worthy service to a school. They must remember that they play an important part in the development of the student/athlete under their charge. Coaches must conduct themselves as Christians at all times. They must cooperate and not interfere with or impede the school's educational program. Imprudent actions on the part of the coaches are subject to disciplinary action by the principal/pastor and the league Board of Control.
30. There is to be no practice nor competition without competent adult supervision present at all times; an adult is a person who is at least 21 years of age.  - The basic or core preparation is required prior to assuming coaching duties. Completion of the sport-specific training requirement shall be accomplished within one year of the inception of coaching duties. Once these elements of certification are in place, a coach's certification status is considered complete for life, except for other requirements that are listed in this section.

Safety Rules for Tumbling, Stunts, Pyramids, and Dismounts

The following rules are aligned to the American Association of Cheerleading Coaches & Administrators (ASCCA) guidelines for youth recreation league cheerleading.

1. It is the coach's responsibility to see that squad members do not attempt to perform any stunts or movements for which they have not been properly trained.
2. All pyramids and partner stunts are limited to two persons high and should only be performed with spotters. "Two high" is defined as the base (bottom person) having at least one foot on the ground.
3. The top person(s) must receive primary support from a base.
4. The top person in a partner stunt, pyramid or transition may not be in an inverted (head below the waist) position.
5. Shoulder level single leg stunts must be braced by at least one person at prep level or below with hand-arm connection only.
6. Any two leg extension stunt must include two (2) bases, a back spotter and a front spotter. The top person must have both feet in contact with the base at all times during any extended stunt.
7. Extended stunts may not brace or be braced by any other extended stunts.
8. An extended stunt pyramid must be brought down to prep level or below before it can dismount.
9. Dismounts to the performing surface from stunts and pyramids must be assisted by the original bases.
10. Only straight pop downs and cradles are allowed.
11. Cradles from single based stunts must have a spotter with at least one hand-arm supporting the waist to shoulder region to protect the head and should area through the cradle.
12. Cradles from multi-based stunts at prep level must have two (2) catchers and a separate spotter position at the head and should area of the top person.
13. A spotter is required for each top person at prep level and above.

14. A spotter must:

- Be in direct contact with the performing surface.
- Be attentive to the skill being spotted.
- Be in the proper position to prevent injuries and does not have to be in direct contact with the stunt.
- Be a team member.

15. All tumbling must originate from and land on the performing surface.

Specific Skill Restrictions:

1. No basket tosses, toe pitch tosses, elevator tosses and similar multi-based tosses.
2. No tension drops/rolls.
3. No single leg extended stunts.
4. Dive rolls are not allowed.
5. No inversions and/or twisting into or out of stunts, regardless of contact with bases.
6. No stunt, pyramid, or individual may move over or under another stunt, pyramid or individual.
7. No running tumbling or flips allowed. Maximum difficulty in tumbling is limited to a single back handspring.
